## Application Essays

- ♦ What field of study appeals to you the most right now? Tell us more about why this field of study at MIT appeals to you.
- ♦ We know you lead a busy life, full of activities, many of which are required of you. Tell us about something you do simply for the pleasure of it.
- ♦ How has the world you come from including your opportunities, experiences, and challenges shaped your dreams and aspirations?
- ♦ MIT brings people with diverse backgrounds together to collaborate, from tackling the world's biggest challenges to lending a helping hand. Describe one way you have collaborated with others to learn from them, with them, or contribute to your community together.
- ♦ How did you manage a situation or challenge that you didn't expect? What did you learn from it?
- ♦ Depending on the question, we're looking for responses of approximately 100–200 words each. There is also one final, open-ended, additional-information text box where you can tell us anything else you think we really ought to know.

## Popular Places on Campus:
