Application Essays

Washington University Question:

Please tell us what you are interested in studying at college and why.

Undecided about your academic interest(s)? Don't worry—tell us what excites you about the academic division you selected. Remember that all of our first-year students enter officially “undeclared” and work closely with their team of academic advisors to discover their academic passions. You can explore all of our majors and programs on our website.* (Min: 5 / Max: 200)
