Application Essays:

Prompt 1 (required): At Santa Clara University, we value our diverse and inclusive community. Our campus learning environment is enriched by the lived experiences of people from different backgrounds. What people, places, events, or circumstances have shaped the individual you are today and how you could contribute to our community? (150-300 words)

Prompt 2 (required): At Santa Clara University, we push our students to be creative, be challenged, and be the solution. Think about an ethical dilemma that you care about that our society is currently facing. This can be something happening in your local community or more globally. How can an SCU education help you prepare for and address this challenge? (150-300 words)
