### Optional for All Applicants

Every applicant can choose from one of the following two essay prompts to submit.

- **Option 1:** At the George Washington University, our students frequently interact with policymakers and world leaders. These experiences and those of our alumni can shape the future of global affairs. If you had the power to change the course of history in your community or the world, what would you do and why? (500 words)
- **Option 2:** The George Washington University encourages students to think critically and to challenge the status quo. Thus, civil discourse is a key characteristic of our community. Describe a time when you engaged others in meaningful dialogue around an issue that was important to you. Did this exchange create change, new perspectives, or deeper relationships? (500 words)
